TARIFF ITEM LEVEL			

Customs Classification of Goods entails classifying products into correct tariff codes to determine the amount of duty payable. Failure to classify products correctly will not only involve substantial duty liability to the business but will also attract customs audit and investigations. This Malaysian Customs Classification of Goods Seminar will provide an insight into how goods in Malaysia are classified and participants will be able to understand :-

- the structure of Harmonized System (HS)
- how classification of Goods is done
- what avenues are available if businesses are aggrieved by the decision of the Director General on Classification

HOW WILL YOU BENEFIT :

- ✓ Participants will understand the nature, concepts and regulations in respect of classification.
- ✓ The difference between HS Code and AHTN code.
- ✓ Understand the rules of classification and gain an insight into how goods are classified and provide an avenue for participants to clarify doubts.
- ✓ To enlighten participants as to the procedures in obtaining advanced ruling to determine duty in order to avoid disputes

WHO SHOULD ATTEND?

This course is suitable for all Manufacturers, Importers, Exporters, Trading Houses, Forwarding Agents, Shipping Agents, Tax Professionals and those working in the Logistic and Shipping Departments.
