**Dr. PALA SANDARAM GOVINDASAMY (PS Daram)**

-PHD, MBA, Dip Industrial Management, Dip Mechanical Engineering, CIPD UK  
HRD Corp Train-The-Trainer Certificate no: TTT/9951 (ACCRED CERT: 1271)

Dr. Pala Sandaram, widely recognized as PS Daram, is a distinguished Organizational Development and Change Consultant with a Ph.D. from the University of Bath, UK. With over 35 years of transformative experience in Industrial Engineering, Manufacturing, and Human Capital Development. Dr. Daram is celebrated for his exceptional ability to revolutionize organizations and drive sustainable productivity.

A master architect of change, Dr. Daram has successfully established and revitalized manufacturing companies and state-owned enterprises, earning accolades for his strategic implementation of bespoke business process management techniques related to Responsible Business Alliance. His innovative approaches have consistently yielded significant enhancements towards compliance procedures among several Multi National Companies and their supply chain over the last 6 years.

Since 2006, Dr. Daram has dedicated himself to guiding organizations as a Consultant, Management Coach, and Trainer. His insightful methodologies empower clients to embrace user-friendly tools that cultivate a culture of excellence and continuous improvement, ultimately leading to remarkable organizational growth and personal development.

Renowned for his engaging presence, Dr. Daram combines a compelling sense of humour with a dynamic style that captivates audiences. He leverages positive psychology and strengths-based development to foster high levels of engagement and retention. Through his unique appreciative and inductive techniques, he adeptly aligns teams around shared objectives, unleashing creativity and driving exceptional performance.

With a passion for igniting change, Dr. Daram inspires individuals and organizations alike to transcend their limitations and achieve unprecedented results.
